

General Dynamics Awarded USD\$29 Million for RG-31 MRAP Independent Suspension Kits

LONDON, Ontario, Canada – U.S. Marine Corps Systems Command (MCSC) has awarded General Dynamics Land Systems-Canada a USD\$29.2 million delivery order to supply 127 independent suspension kits for its Mine Resistant Ambush Protected (MRAP) vehicle program. General Dynamics Land Systems, the Canadian company's parent corporation, is a business unit of General Dynamics (NYSE: GD).

The TAK-4 independent suspensions, produced by Oshkosh, will be installed in-theatre on to previously delivered RG-31Mk5EM vehicles to enhance their ride quality and robustness.

The contract was signed through the Canadian Commercial Corporation, a Crown Agency of the Canadian Government.

General Dynamics Land Systems – Canada, located in London, Ontario, Canada, is a business unit of General Dynamics Land Systems of Sterling Heights, Michigan. For over 30 years, more than 2000 highly skilled technical employees have designed, manufactured, delivered and supported to global customers a unique family of light armoured vehicles (LAV).
